 - Value, Sweet, White, Yellow
 - Roughly 16%-25% Shares
- Poor
 - Pearl, mixed, Shallot
 - Near 0% shares

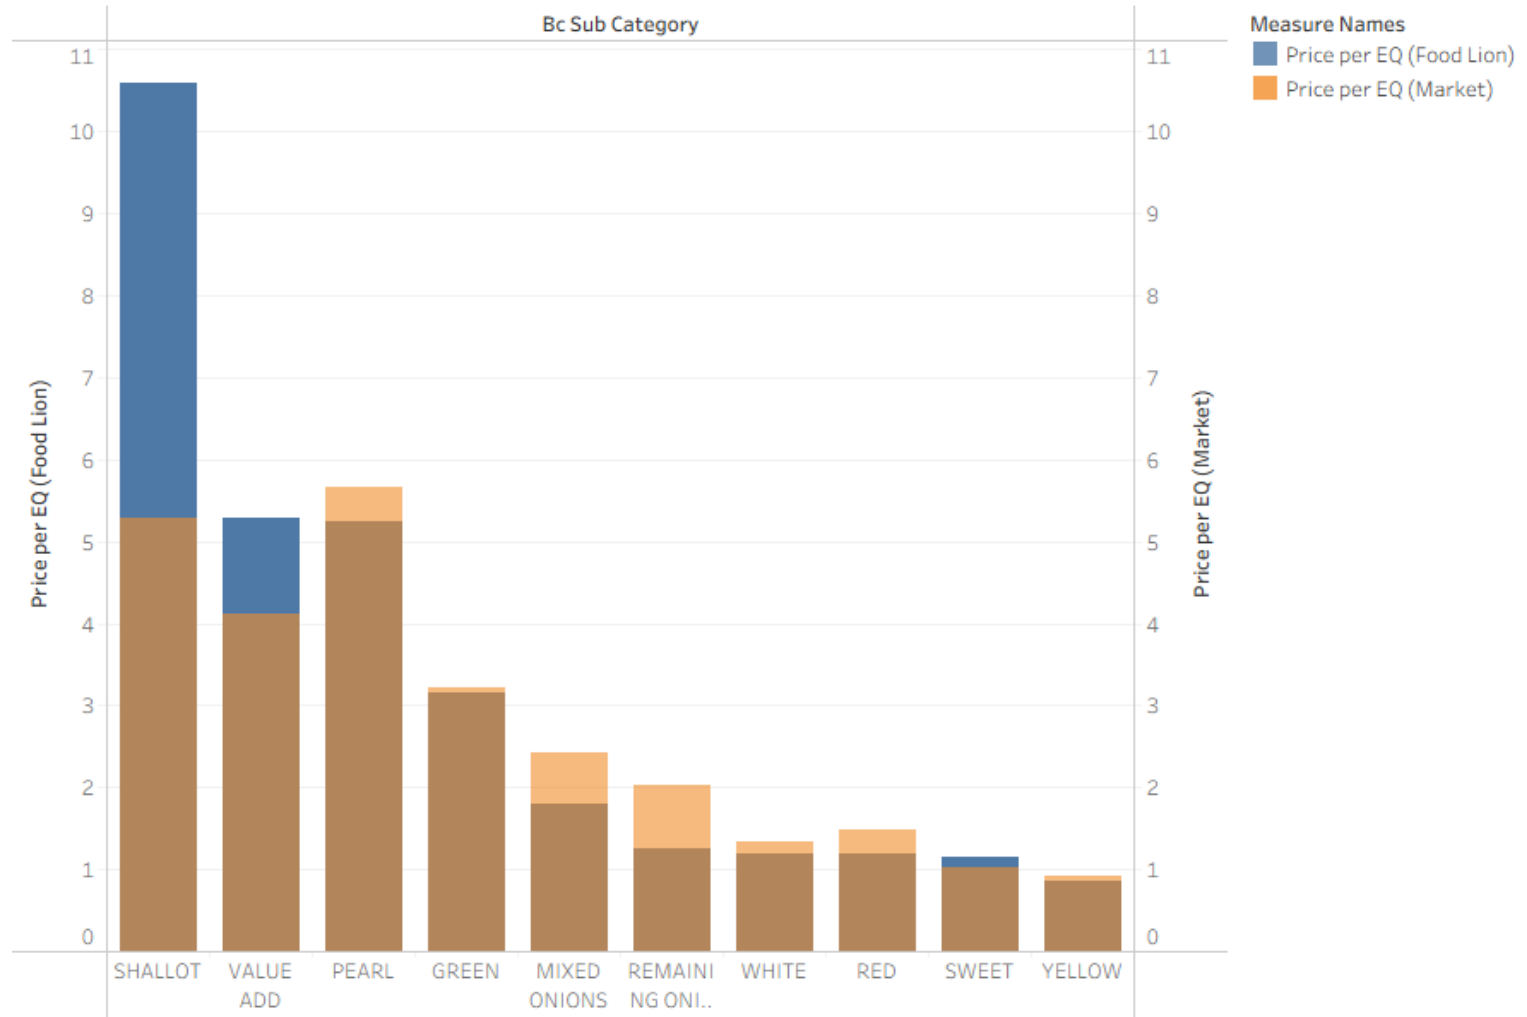

Food Lion Market Share

Pricing

- Shallots Nearly double the price of the rest of market
 - While Food Lion sold shallots at twice the market value, we only sold one shallot.
- Consistent with rest of market prices
 - Mixed and Remaining onions are sold cheaper But their sales warrant the price.
